

School Priorities, 2016-17

Outcomes for children and learners

EYFS

- To narrow the gap in attainment between boys and girls in Listening & Attention, Reading and Technology
- To narrow the gap in attainment of EM and BW/I children in Listening & Attention, Understanding, Reading and Technology.
- To narrow the gap between Boys and Girls working at expected against exceeding in Literacy and Maths.
- To raise attainment across the EYFS in CLL and Writing

KS1

- To increase the % of children working at greater depth in maths to 20%

Quality of teaching, learning & assessment

- To review the curriculum in both EYFS and KS1 to ensure:
 - learning is exciting, progressive and in-depth
 - children are continuing to benefit from a broad and balanced curriculum
 - British Values are fully embedded
- To review our approach to teaching mathematics

Personal development, behaviour & welfare

This is not an area for school improvement this year, 2016-17

Effectiveness of Leadership & Management

Leaders

- To review curriculum monitoring systems and processes

Trustees

- To begin to develop and grow Streetsbrook Academy Trust
