

Minutes of Safeguarding Committee

Date: 29 January 2016, 1.15pm

Location: Mrs Minter's Room

Attendees: Mrs Butlin, Holly, Hayden, Behram, Ella – Year 2,
Jack Yr 1

Agenda Items- welcome

Everyone was welcomed and Mrs Butlin explained that the school needed their help to be special agents. SSS Streetsbrook Special Safeguarders working to keep Streetsbrook safe!

Safe and Secure?

The children thought about what made them safe..... they stated they did feel very safe at school. They felt teachers/staff made them safe and also the locked doors and the gates except when parents are still leaving them open!!. The children also discussed mobile phones and First Aid at school. We discussed parents bringing in children to school in the morning and they felt it was a good thing to make sure each child got to their classes safely but it gets very busy.

They were fascinated by the security cameras and will be watching the school on camera at the beginning of the next meeting. They knew electricity was dangerous and talked about fire, smoke and dogs! They liked discussing the school fire drill last term and the importance of registers.

Fire and General Safety

Finally Mrs Butlin had prepared a school quiz treasure hunt. The SSS walked around school looking for, finding and discussing the photographs on the sheet.

Sharing Safety

The children kept their sheets to share at the main school council meeting. It is hoped all teachers can access and do a ten minute quiz with each class next week. The SSS, if you have one in each class can host and discuss. The team thought all of the school needed to know what they had learnt today. The quiz is on the 'w' drive under Safeguarding. It will also be attached to these minutes to share the meeting information, so everyone is safe at Streetsbrook. Jack M will do both Yr 1 classes. Reception, Holly and Hayden will help you with the quiz.

'Keeping Streetsbrook Safe 'is their chosen motto!
Accompanied with a superman hand thrust!

Next Meetings

- E Safety -TBA with Miss Smith in February
- Safeguarding: Monday 29th February at 1.15- First aid Medicines, Mrs Butlin's office
