

WWF's Earth Hour

Our World Is Brilliant Help Keep It That Way

With this message as the theme children at Streetsbrook supported the WWF's Earth Hour campaign. Children wore Land and Sea colours and donated over £60 to WWF's Rainforest Appeal.

Everyone joined together for an Earth Hour Assembly which aimed to develop understanding of climate change and its impact on the environment.

Just before 10.30am the countdown began and all non-essential power was switched off! We discovered learning can still be a lot of fun without electricity but an hour was long enough!

Children created their own sandwiches and salads during our 'Power Free Lunch'. We even enjoyed live piano music! Lunch box waste was collected, sorted and recycled.
