

Year 2 Homework

There will be no English or maths Homework next week.

As you will already be aware, as an exciting activity for our topic entitled 'Making a Difference' the children will be taking part in a Trashion Show modelling costumes made from recyclable materials.

Can the children use materials from your recycling bins at home to create an outfit or accessory? Use your creative side or check on the internet for ideas.

The children could create a belt using sweet wrappers, a hat decorated with flowers made from plastic bags, an outfit from newspaper or perhaps a recycled super hero is more their thing!

As previously stated, please bring your creations to school **on the morning of Tuesday 6th February** ready for our Trashion Catwalk Show at 9.45am complete with flashing lights and music! You will be able to assist your child in changing into their costume at 9am, after the register.

Teas and coffees will be available from 9.15am until the start of the Trashion Show.

Family, friends and younger siblings are welcome to attend the show, which will take place in the school hall and last for no more than one hour. We are delighted that the Mayor will also be joining us on the morning.

Thank you for your support.

The Year 2 Team
