

# Children's Storehouse

## Who we are

The Children's Storehouse is run by Jubilee Church Solihull and serves Solihull and its neighbouring communities.

## What we do

Our aim is to show compassion by providing good quality second hand clothing for babies, children and young people up to the age of 18. It is our desire to provide the best possible clothing/equipment to our clients.

We rely on local agencies to refer families to us through an online system. Referrals can be made for families in a wide range of circumstances.

## How can you help?

The storehouse relies on donations of clothes and equipment. These can be left in the yellow Children's Storehouse donations bin at the back entrance of: Jago House, 692 Warwick Road Solihull. This can be accessed via Mell Square Delivery Area D, between The Delhi and The Saddlers Arms Pub.
