

Streetsbrook Eco Team Minutes Friday 9 October 2015

1. Welcome

Mrs Miller welcomed everyone to the first Eco Team meeting of 2015-16.

All classes were represented (see Eco Team poster) Mrs Troughton (School Garden Champ. and Parent) and Sue Rose (Governor) also attended.

2. Eco Code Review

The team suggested a few minor changes to the Streetsbrook Eco Code.

Mrs Miller will update, distribute to all classes and add to website.

3. Eco Action Plan

The team reviewed last year's Action Plan and agreed on many items which they would like to continue forward onto their new plan. Mrs Miller will update the plan and challenged the team to bring some new ideas to the next meeting.

4. Empty Classroom Day and Stroll and Roll

Everyone agreed they would like to repeat Empty Classroom Day. On hearing that official ECD is scheduled during Year 2's Blackwell trip an alternative date of Thursday June 9 was put forward. Mrs Miller will check if this date is suitable.

Stroll and Roll was also voted a success but some children suggested they preferred it as a Class rather than Inter House competition. There will be further discussion of this at a future meeting.

5. Any other business

No other business was raised. Mrs Miller thanked everyone for attending.

Date of next meeting - 12.00 Friday 27 November

Energy

- 'Switch Off' when not in use
