Dear Parents

Re: Streetsbrook Childcare Fees

I write to you on behalf of the Governing Body to inform you that our Childcare fees will increase by 3.7% from September 2017, in line with the RPI figure, for the 12 months to May 2017, announced this month.

This decision was agreed by Governors after thorough consideration, following a detailed review of our operating costs. The increases are essential to maintain the provision of childcare to the highest quality standard, whilst maintaining the links to the teaching provision at Streetsbrook.

May I also add that we regularly measure the pricing structure of other local Childcare settings, ensuring that our session costs remain competitive yet affordable.

For those parents of children who access our full-time care, we have ensured you have enough notice to make the necessary arrangements regarding funding sources such as Working Families Tax Credits, as well as allowing parents enough time to source other childcare alternatives if necessary.
